

# Sharing our learning & playing activities

Maths Activity: We enjoyed working together comparing different socks, looking at patterns, sizes, shapes, pairs, colours and designs

5 little ducks went swimming one day... we counted, sang and learnt what happens if we add and takeaway ducks

Speaking and listening activity: We guessed who was talking and practised listening to what they had to say?

Easter theme: Learnt enclosure and containment by putting items in the eggs, we sang, and included numbers and colours learning

Created ocean life using coloured ice to pretend it was coral and we learnt about the importance of why we must not throw rubbish in the ocean

Chinese New Year: Year of the Tiger. We learnt about tigers, cubs, looked at their fur, pretended to be a tiger and made roaring sounds
