

Sharing our learning & playing activities

The children coloured in a picture of the Queen and learnt about the Royal family, the Queen's years of service and her role.

Created artwork to celebrate the Queen's Platinum Jubilee

Learnt about a castle and its different parts including moats, draw bridge, tower, dungeon and spiral staircase through small world play.

Spoke about crowns and practised fine motor skills by decorating with pom poms and tweezers.

These delicious cakes were kindly made by a parent. We learnt about the union jack and its colours.

We had lots of fun celebrating the Jubilee through dancing, singing, and enjoying party snacks.
