

Sharing our learning & playing activities

Learning about our environment and the natural world. What does rain smell like? How does it make us feel?

The children asked if they could collage and dress figures using their own imagination – fantastic team work!

Visiting West Wickham Library – learning about borrowing books, returning books, selecting books and listening to story time.

Teddy Bear's Picnic – having a picnic with friends, singing rhymes about bears, reading 'Goldilocks & the 3 Bears' story book

Mindfulness – participating in a yoga class. Practising listening and gross motor skills.

End of term party – having lots of fun with friends!
